Despre mine

Hi! Even though we don't know each other personally, I would like to introduce myself through this letter, so you can have a little idea about my personality. My name is Kate, I'm 18 y.o. A couple months ago I came back to Moldova from USA, where I graduated American High School. This year in the USA changed me a lot, I became more responsible, confident, I improved my English, had to face with a lot of difficulties, that I had to deal by myself, because all my family and friends were here, in Moldova. I am so excited to learn and work, and of course bring only positive attitude to our team and company!

- graduated American High school
- finalist of future leader exchange program
- positive attitude, communicable
- always find a way in every difficult situation
